

WELCOME TO THE 10th EDITION OF ROY'S ART FAIR

This Autumn we are extremely excited to bring you a finely-tuned three day event, returning to our flagship venue, Bargehouse. Roy's Art Fair will be host to 80 emerging and established artists exhibiting a wide variety of art from sculpture to photography, painting and screen prints.

FAIR FEATURES

Look out for Artist Demonstrations throughout the fair. This is a fantastic opportunity to see first hand how it's made! Please respect the Artists space and make sure to ask plenty of questions!

Our Roy's Doodle Room sponsored by Jackson's returns bigger and better. Discover your own creativity and show us what you've got! This is great for all ages. Tag your creations @roysartfair #roys

Welcome to Dark Therapy and the bittersweet truths of The Misfortuneteller. After a short but intimate conversation over my black crystal ball, I will consult the spirit world, then quill your very own bespoke dark prophecy to take home and frame.

The Vintage Event Bar is back showcasing their exquisite cocktails, fresh coffee & soft drinks throughout the duration of the fair, whilst also having control of the music...

Own Art is a national initiative that makes buying contemporary art and craft affordable by providing interest-free credit for the purchase of original work, from £100 - £2500.

The Balloon Room, located on floor 2, is an opportunity to see the important facts behind Movember's incredible work in supporting and raising awareness for mens health. The fun interactive feature sends an important message to all.
